## THE RESORT GOLF COURSE

The crown jewel of The Resort is The Coeur d'Alene Resort Golf Course featuring the world's only floating, moveable golf green. Our golf course has received a perfect Five Star Rating from *Golf Digest* and a Gold Medal from *Golf Magazine* making our course one of only six courses in North America to be so recognized. Your golf experience includes a water taxi ride to the course in a custom-made Honduran mahogany boat, 18 holes of golf, a custom electric cart with tilt steering wheel, seat heater, tee dispensers and ball washer, custom engraved bag tag, unlimited range balls on our over-the-water driving range, complimentary sports massage and a forecaddie who acts as a personal concierge for each foursome throughout their golf experience.

At The Coeur d'Alene Resort Golf Course you won't have to worry about the planning of your golf tournament. Our Tournament Director will take care of every detail including scoring, hole prizes, personalized logo wear, organizing foursomes and just about anything else involved with the tournament.

### Group Golf Activities:

#### Golf Clinic

Our golf pros can customize a clinic to accommodate your attendee's skill level and time availability.

#### Shootout Package

Consists of a closest to the pin contest on the 14th hole (floating green) and a putting contest. This is a great activity by itself or as a unique start to a dinner at the Golf Course Pavilion.

#### Hole-in-One Insurance

Players can win cash or prizes if they make a hole in one on the floating green.

#### Customized Logo Gifts

Gift baskets, golf shirts, hats, visors, towels, putters, jackets and travel bags.

## HISTORY

According to legend, in the late 18th century, French-Canadian troops and fur traders were first to encounter the native people of this region. These were the Schitsu'umsh tribe, and they were known for their skill and experience with trading. A French trader who described the tribe as "the greatest traders in the world" named them the Coeur d'Alene, or "Heart of the Awl," which is a very sharp tool used to pierce leather, to refer to their cunning at trade.

### **Historical Tour of Coeur d'Alene**

Visit two fine museums; The Museum of North Idaho and the Fort Sherman Museum, home to incredible photographs depicting the history of Fort Sherman, Coeur d'Alene Lake bustling with steamboat activity and the impact of the mining and timber industries.
