So who are Muddy & Millie™?

Muddy Moose and his playmate Millie Mouse are two fun-loving characters found in the new children's book, "Muddy & Millie™". They are best friends and they love to play hide-and-seek. But this time, Muddy can't find Millie anywhere. With the help of best-selling author and Coeur d'Alene resident Susan Nipp and drawings by Charles Reasoner, Muddy and Millie will soon be together again. The hide-and-seek game played in the book can also be played in the real world as a public art project – The Muddy Moose Trail, which includes five bronze moose created by local artist Terry Lee.

Coeur d'Alene, ID – The Northwest's newest family-friendly attraction combining literacy and public art is sponsored as a community project by the Coeur d'Alene Public Library Foundation.
